ULTRASONIC FLOW METER

VIFLOW-UFM-013

ABOUT THE PRODUCT

We specialize in advanced Ultrasonic Flow Meters designed for accurate, non-invasive flow measurement across various industries. Our solutions ensure high precision, low maintenance, and easy installation without pipeline cutting. With a focus on innovation, reliability, and performance, we deliver products that enhance operational efficiency and monitoring. Trusted by clients nationwide, we are committed to providing smart flow measurement technology with excellent support and quality assurance.

PRODUCT DESCRIPTION

Ultrasonic Flow Meter is a high-precision, non-intrusive solution designed for accurate flow measurement without cutting or interrupting pipelines. Using advanced ultrasonic technology, it ensures reliable performance for liquids in various industrial applications. Easy to install and maintenance-free, it delivers real-time data with excellent accuracy. Its robust design, wide compatibility, and user-friendly interface make it ideal for water management, chemical processing, and energy monitoring systems.

APPLICATION'S

Cement Industries

waste water treatment plant

Chemical and petrochemical industries

Pharmaceutical Industry

HVAC and energy management systems

Food & Beverage Industry

5000+ Installation of Flow-meters, Data-loggers, RTU, Analyzers & Many More.

TECHNICAL SPECIFICATION

Model
VIFLOW-UFM-013

Accuracy	± 1% of F.S.
Range	DN25 to DN300
Tube Material	Carbon Steel(SS304 at the Probe)
Technology	Ultrasonic Non-Invasive (Clamp-on design, no pipe cutting, no pressure loss)
Ambient Temperature Range	+5 °C to +55 °C.
Installation orientation	Horizontal & vertical (upward direction)
Power	Battery Operated / 24 VDC
Power consumption	Standard status < 30uA, can work continuously for more than 20 years

FEATURES

Flow Meter Front View

3D Product View

Pipe Connection Interface

Outlet Connection View

Wireless Transmitter Unit

Flow Sensor Body

Flanged Pipe Interface

- Flow Measurement & Compliance System
- Smart Data Logging Solution

Vision World Tech Pvt. Ltd.
Vision For Futuristic Technology

Proudly Serving Industries
Across India

Head Office :

 A-15, Jai Ambey Nagar, Tonk Road, Jaipur
- 302018 (Raj.)

Manufacturing Unit :

 Khasra No 70/1, 71, At Village Gwar
Brahman, Sanganer, Jaipur
